Subject: Rate increase for CWS

To whom it may concern,

I am quite frankly appalled by the thought of a "49%" increase in our water service. It makes me feel absolutely helpless because I know if I want water it has to be provided to me by Carolina Water Service. This increase will put unnecessary stress on the already increasing financial responsibility of my family. My husband and I just recently decided that the rate increases that the cable company instilled upon us was too much so we eliminated cable from our home! Unfortunately we don't have the luxury to "shop around" for water. I hope you will take every e mail and letter that you are receiving into the highest consideration when making your decision about allowing CWS to increase their rates and realize that this increase will hurt thousands of customers.

Sincerely,
Katie O. James
